Northamptonshire Day 25 October 2026

Designed to be a celebration of the county's history, culture and visitor attractions, the event will transform Kettering into a destination for one of the region's biggest family days out, encouraging residents and visitors alike to explore the best of Northamptonshire.

This year's event will coincide with the full reopening of the Alfred East Art Gallery.

The celebration will span multiple locations across the town centre, focusing on the Market Place, whilst Kettering Leisure Village and Wicksteed Park will also join in the celebrations.

A highlight of the day will be heritage bus services operated by the Northamptonshire Transport Heritage Society, giving families the chance to travel on classic double-decker buses as they explore the different activity hubs and discover more of the county's rich transport history.

The event aims to showcase Kettering as a thriving cultural destination, as well as the wider Northamptonshire area.

Visitors can expect:

Family activities and children's entertainment throughout the day

As a parent or carer, you may not know where to start, but you don't have to be an expert to have this conversation.

This accessible webinar helps parents and carers understand what young people are likely to be seeing online, why it matters, and how to use open, honest, age-appropriate and non-shaming dialogue at home.

Brackley Fireworks 10 year Anniversary

Brackley Fireworks 10 year Anniversary - Sponsored by Mercedes-AMG PETRONAS Formula One Team

This year's Brackley Firework Display will take place on Saturday 31 October, and once again we're gearing up for a lovely night to welcome in the festive season.

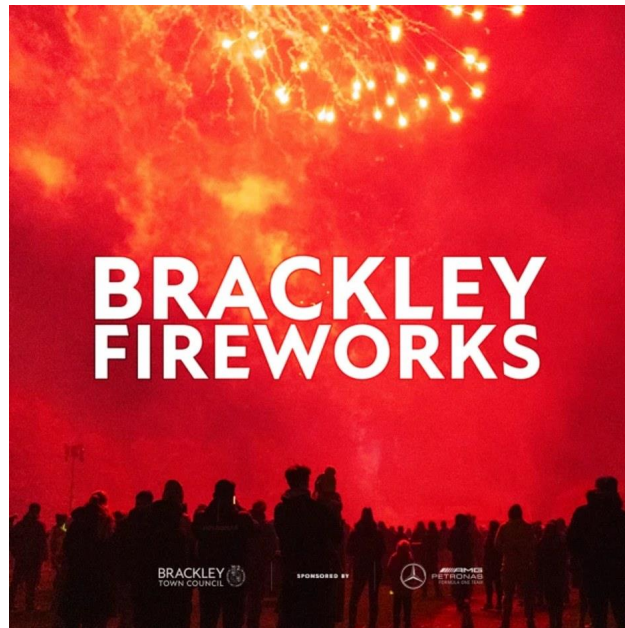

You can expect the usual hot food vendors, bars, community stalls and live entertainment. This year you'll also see LED robots around the field.

The fireworks will begin at 7pm and last for roughly 15 minutes, however, as always we recommend arriving early to get a good spot on the field as it gets busy! Last year we welcomed a record 8,000 people, so turn up early, wrap up warm, and enjoy the great activities at the community stalls. Grab some hot food and maybe even a drink while you wait for the display to begin.

This year, the sponsors' chosen charity is Helen & Douglas House, so you'll see volunteers collecting donations. Please bring along your coins and give generously to support this wonderful cause.

More details will be shared closer to the event, stay tuned!

2hr workshop for parents of Adolescents at Towcester Family Hub

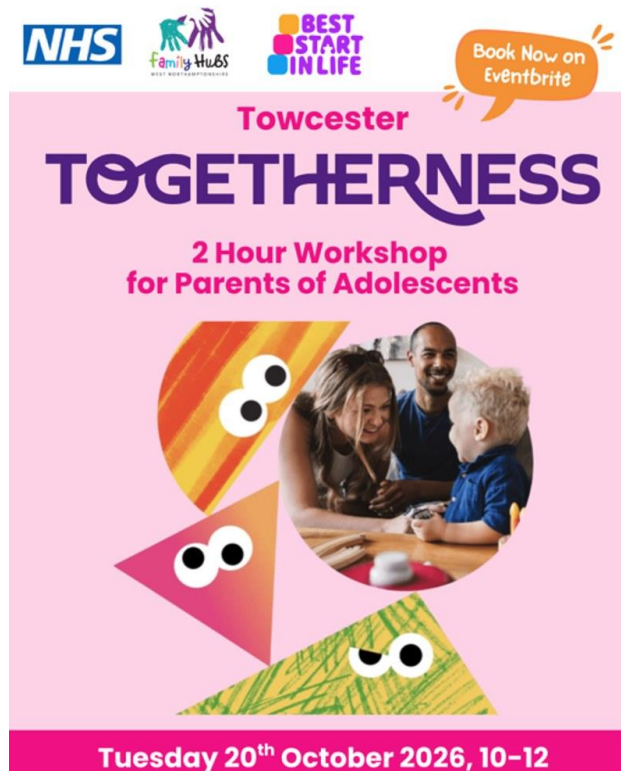

Tuesday 20th October

This 2hr Workshop is designed to explore the changes that occur in the Teenage brain & how we can support & guide them through this stage.

This 2hr Workshop is an introduction to the 10wk 'Understanding your child from Toddler to Teen' group. We delve into how the baby brain development has shaped the foundation blocks for their future brain development, and what changes the Teenage brain goes through, and why sometimes they make risky decisions when with their peers.

We explore how we can respond to our Teenagers in ways which are both helpful for them and provides them with opportunities to learn to manage their big emotions, whilst strengthening the relationship we hold with them.

What is By My Side?

By My Side is a flexible one to one support designed to help people facing challenges that may be affecting their wellbeing, confidence, independence, or future opportunities.

We work alongside individuals at their own pace, helping them identify goals, overcome barriers, and access the support they need. No judgement, no pressure. Just practical support when you need it.

We will listen to every case that comes our way, no matter how big or small the problem is. We advocate and don't just discharge to another service; we are there for the person until they feel they can thrive on their own.

If you know anyone who needs some support, please email us at info@doddridgecentre.org.uk

The McCarthy Dixon Foundation Mobile Community Shop

The McCarthy Dixon Foundation **Mobile Community Shop** helps bring low-cost food and everyday essentials directly into local communities across Northamptonshire. Using our specially adapted van, we visit different locations each week, making it easier for people to pick up fresh produce, cupboard staples, toiletries and household items closer to home.

How it works

As this is still a new service, we wanted to explain how it works. Instead of pricing every item individually, most products are given a points value between 1 and 5. Customers can buy **9 points for £5** or **18 points for £10**, then use those points to choose the items they need. Most everyday essentials are only 1 or 2 points, and we also offer **pre-packed fresh fruit and vegetable bags for £2.50**.

There is no sign-up, membership or eligibility criteria, people can simply visit us at one of our stops and shop straight away. You can learn more about this service on our website: <https://mccarthydixon.org.uk/mobile-community-shop/> The location of the shop can be found on our social media sites: [McCarthy Dixon Foundation Facebook](#) and [Instagram](#)
